The General Basic English Dictionary
Basic English is an English-based controlled language created by linguist and philosopher Charles Kay Ogden as an international auxiliary language, and as an aid for teaching English as a second language. Basic English is, in essence, a simplified subset of regular English. It was presented in Ogden's book Basic English: A General Introduction with Rules and Grammar (1930).

Basic English - Wikipedia
Basic English is a simplified version of English language created by Charles Kay Ogden. Learning Basic English through pictures - this fun project needs a leader to put it on the web.

Learning Basic English
If one were to take the 25,000 word Oxford Pocket English Dictionary and take away the words with the same senses of our overly full language and take away the words that are able to be said by putting together simpler words, we see that 90% of the ideas in that dictionary are able to be done with only 850 words.

Basic-English Institute
Ogden's Basic English is a simplified version of English to speed the student into a useful level of language. Created by Charles Kay Ogden, this fully functional, yet simple, starter version of the English language introduces the overwhelming richness of full English into a manageable first step.

Texts for Basic English
The Oxford English Dictionary (OED) is the principal historical dictionary of the English language, published by Oxford University Press. It traces the historical development of the English language, providing a comprehensive resource to scholars and academic researchers, as well as describing usage in its many variations throughout the world.

Word History: English is derived from England, one would think. But in fact the language name is found long before the country name. The latter first appears as Englaland around the year 1000 and means "the land of the Engle," that is, the Angles. The Angles, Saxons, and Jutes were the three Germanic tribes that emigrated from what is now Denmark and northern Germany and settled in England...
